

# Programme Outline

OPTIONS X for the Control of Influenza

28 August - 1 September 2019

## Day 1: Wednesday 28 August

Latest Research from China (Main Hall) 9:00am - 1:00pm

Welcome Speech (Main Hall) 3:00pm - 3:30pm

Opening Keynote (Main Hall) 4:00pm - 5:30pm

Opening Reception (Main Hall) 5:30pm - 6:30pm

## Day 2: Thursday 29 August

Virology & Pathogenesis      Clinical Sciences      Public Health      Policy      Co-Infection

Plenary Talks (Main Hall): 8:30am - 10:00am

Vaccines

Session 1: 10:30am - 12:30pm

Virus pathogenesis & transmission      Diagnosis (I)      Vaccine Efficacy/Effectiveness (I)

Sponsored Lunch Symposia: 12.30pm - 2:00pm

Session 2: 2:00pm - 4:00pm

Diagnosis (II)      Vaccine Efficacy/Effectiveness (II)      Co-infection

Session 3: 4:30pm - 6:00pm

Influenza Glycobiology      Treatment (I)      Surveillance & Forecasting

Poster Session + Networking: 6:00pm - 7:30pm

## Day 3: Friday 30 August

Plenary Talks (Main Hall): 8:30am - 10:00am

PISA & Virology

Session 4: 10:30am - 12:30pm

NextGen/Universal Vaccines      Treatment (II)      Optimising Vaccine Strategies (I)

Sponsored Lunch Symposia: 12.30pm - 2:00pm

Session 5: 2:00pm - 4:00pm

Immune Response to Infection      Optimising Vaccine Strategies (II)      Controlled Human Infection Model (CHIM) Challenge Studies

Session 6: 4:30pm - 6:00pm

Cellular and Molecular Virology      Avian and zoonotic influenza      Pandemic Preparedness

Poster Session + Networking: 6:00pm - 7:30pm

## Day 4: Saturday 31 August

Plenary Talks (Main Hall): 8:30am-10:00am

Burden of disease

Session 7: 10:30am - 12:30pm

Host-Pathogen Interactions      Influenza in the tropics      Policy Perspectives for the Prevention and Control of Seasonal Influenza

Sponsored Lunch Symposia: 12.30pm - 2:00pm

Session 8: 2:00pm - 3:30pm

Antivirals      Special populations – clinical aspects      Policy Perspectives for Pandemic Influenza Preparedness & Response

Session 9: 4:00pm - 5:30pm

Influenza evolution & human ecology      Critical influenza illness      Disease burden, impact, and severity

Poster Session + Networking: 5:30pm - 7:00pm

Conference Dinner at Flower Dome, Gardens by the Bay: 7:30pm

## Day 5: Sunday 1 September

Session 10: 8:30am - 10:30am

Non-Human Influenza Viruses      Regional respiratory infection surveillance systems      Imprinting, Sero-epidemiology, Age Profile Differences

Session 11: 11:00am - 1:00pm

Emerging Influenza Viruses      Vaccines      Epidemiology and Transmission Dynamics

Closing Plenary Talks (Main Hall) 1:30pm - 2:30pm

END OF CONFERENCE
